

THE REC CORPORATION LTD.

Equipment for Explosive Dust and Explosive Gas System

Dust Explosion Protection Equipment

Dust Explosion Venting Equipment

VIGILEX®  CE

Bursting panel

Flame Arrestor

STIF

Bursting sensor

Explosion Protection Suppression Systems

Dust Explosion Isolation Valve

ATEX Fire & Explosion Protection

Extinguishing Bottle

Barrier Valve

Diverter & Quick-Slide Valve

BFM Fitting Explosion Proof Flexible Connecting

Explosion Testing

Test at 60 kPa and 100 kPa

Over Pressure Dryer Wash

BFM
fitting
"Keeping You Connected"

Made in New sea land

Seeflex Regulations - EC, FDA, USDA, 3A
